

Personnel Reliability Program Awareness Day is Sept. 28

The 377 Air Base Wing Personnel Reliability Program Awareness Day is Sept. 28.

The mandatory briefings on PRP for all personnel are scheduled at 8 and 11 a.m., 2 p.m. and 4 p.m. at the Theater. Attendance will be taken.

An additional briefing at 7 p.m. will accommodate the 377th Security Forces Squadron and the 898th Munitions Squadron shift workers.

Each briefing includes essential program information in areas of medical, personnel and safety, as well as the spirit and intent of the program.

Call Staff Sgt. Jamielyn Hobbs at 846-2263.

Wyoming Boulevard lane closure scheduled

The Housing Privatization Project Office is providing notification of the northbound lane closure on Wyoming Boulevard, Sept. 22-Oct. 15, each day 6 a.m.-3 p.m.

The lane closure supports construction of the utility infrastructure servicing the privatized housing area.

To minimize impact to traffic, two in-bound lanes will be maintained during the morning rush hours and two out-bound lanes will be maintained during the afternoon rush hours.

Contact Joseph Lujan at 846-6703 if you have questions or need additional information on closure.

Balloon fiesta volunteers needed

The 2004 Albuquerque International Balloon Fiesta is Oct. 1-10. A cadre of volunteers has formed to help escort chase crews onto Kirtland AFB in the event that a hot air balloon lands inside the installation. However, more volunteers are needed. Volunteers would need to be stationed at the Gibson gate during periods when the balloons are in flight.

Balloon ascensions are scheduled:

Oct. 1 at 5 p.m.

Oct. 2 at 5:45 a.m. and 5 p.m.

Oct. 3-10 at 5:45 a.m.

If you would like to volunteer for one or more of 11 volunteer slots, contact 2nd Lt. Peter Howard at peter.howard@kirtland.af.mil.
