## President meets TEAM KIRTLAND, Albuquerque PJ hero

President George W. Bush is greeted by Staff Sgt. David Biddinger, a pararescueman assigned to the National Assessment Group, and Col. Hank Andrews, 377th Air Base Wing commander, after landing at Kirtland AFB on Aug. 26 as part of a fast-paced visit to the last of three New Mexico cities that day. Sergeant Biddinger was selected to meet President Bush in recognition of his heroic actions that saved the life of an Albuquerque police sergeant and earned him the Airman's Medal. More on the president's visit and Sergeant Biddinger's heroism is on Pages 3, 12 and 13.
