

Kirtland Chapel Fall/Holiday Schedule

Team Kirtland,

The goal of the chaplain corps is to provide directly or indirectly for your constitutional right to the freedom of religion.

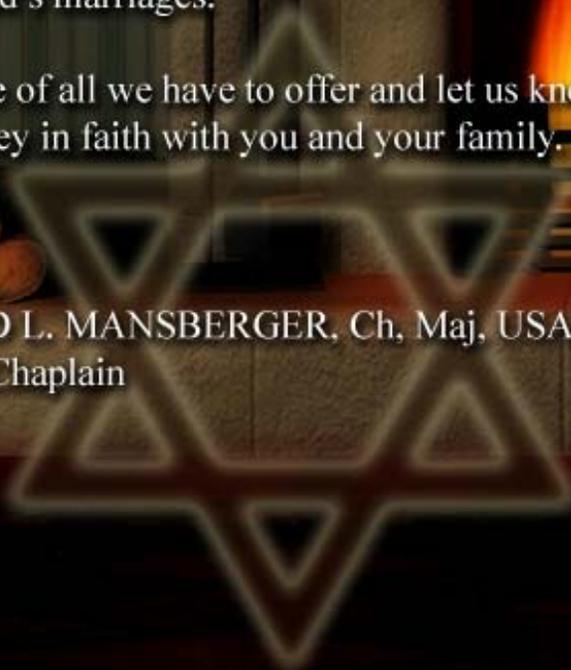

This brochure shares many of the ministry opportunities that we are able to provide directly for you and your family. If you have other religious needs, please let us know how we can provide for you.

Our prayer is that the worship opportunities, programs, and special events like our marriage and reintegration retreats will minister to the needs of your family and strengthen Kirtland's marriages.

Take advantage of all we have to offer and let us know how we can journey in faith with you and your family. God bless!
