BRIEF DESCRIPTION OF INTENDED USES FOR AF-GEOSPACE: _____

TERMS AND CONDITIONS: AF-GEOSpace Version 2.5 software was developed by the US Air Force and shall not be copied in whole or in part without permission from the USAF. The definition of copying includes displaying output from AF-GEOSpace on the World Wide Web. The software and related data sets are for the sole use of the requestor. AFRL retains all distribution rights to AF-GEOSpace and no portion of its software or related data sets may be assigned or transferred to any non-authorized person or agency. The AF-GEOSpace software and associated documentation are released to AFRL-approved institutions under the condition that intellectual property rights are to be respected. Acquisition of limited distribution software modules not included in the public-release version of the software (i.e., IONSCINT, ISPM, MSM, PPS, STOA, TPM-1, and WBMOD) requires that the requestor obtain DoD sponsorship and complete a standard non-disclosure agreement with AFRL. For inquiries regarding the limited distribution version of AF-GEOSpace please call (505) 846-7800.

The undersigned accepts these terms and conditions.
