Main/Satellite Pharmacy

Mon –Fri 0730-1700

(505)846-3130

Automated Refill line

(505)846-5770

The Pharmacy is closed all federal holidays and specially designated 'down' days.

**New Prescriptions**

New prescriptions are dropped off at window labeled DROP OFF.

New prescription must contain patient name, address, phone number, date of birth, social security number, and allergies to medications.

Completed prescriptions are picked up at any window labeled PICK UP.

Patient names are displayed on the lobby TV Screen for 90 minutes after completion of script.

Patients 18 years and older, the patient ID card or a black and white copy of the ID card, front and back, must be presented to pick up prescriptions.

Additionally, the patient's yellow card must be presented.

If you do not have your yellow card, please stop by the Other Health Insurance window located in the lobby area.

The yellow card must be updated every year.

**Refills**

For refills, if the prescription number is unavailable press #3 to leave a voice mail with patient name, date of birth, last 4 of sponsor's social and drug name.

**Controlled Prescriptions**

Prescriptions for Schedule 3, 4 or 5 medications will be honored for 6 months from the date they were written with up to 5 refills.

Quantities are not to exceed 30 day supplies (except stimulants). Providers are reminded to include their DEA number on all controlled prescriptions.

**Non-Controlled Prescriptions**

Are honored up to 365 days from the date the prescription was written.

Antibiotic prescriptions over 10 days old will be filled at the discretion of the pharmacy.

Prescriptions for maintenance medications may be written for up to a 90 day supply with a maximum of 3 refills when requested by prescriber.

All other non-controlled prescriptions may be written for up to 30 days supply with a maximum of 11 refills.

State and Federal laws maintain that all prescriptions be originally signed by the provider; stamped/copied signatures are NOT acceptable.

'Indications' are highly encouraged to prevent prescription errors.

*The pharmacy must use generic medication whenever possible so please write all medications generically.*

WE ACCEPT FAXED PRESCRIPTIONS FROM YOUR DOCTORS OFFICE ONLY

TELEPHONE PRESCRIPTIONS ARE NOT ACCEPTED
