

APS Board of Education Community Conversations- Charting the Future for Albuquerque Public Schools

The APS Board of Education has committed to a new way of doing business. The first step is holding deliberate conversations with you, members of the APS community, as they seek to understand your vision and values that they will use to help them chart the course for the future of APS.

Student outcomes don't change until adult behaviors change. The APS Board of Education, like a growing number of school boards across the nation, understands that change starts there. This is why they are committed to improving the way they interact with the community. Join them for a series of community conversations as they envision, with you, what is possible for students in Albuquerque Public Schools.

They want to hear what you think about the following:

What do you hope for students to know or be able to do throughout their educational career?

What should APS not do or stop doing on the path to improving student outcomes?

Public listening events will be held from 1800-2000:

- 9 Nov @ Rio Grande High School (2300 Arenal Road SW)
- 14 Nov @ Eldorado High School (11300 Montgomery Blvd. NE)
- 17 Nov @ Jefferson Middle School (712 Girard Blvd. NE)
- 1 Dec @ Cibola High School (1510 Ellision Drive NW)
- 5 Dec @ Albuquerque High School- all Spanish session (800 Odelia Road NE)

Light refreshments will be served, and interpretation services will be available.
