

KAFB Phase 3 - reopening updates: effective Friday, June 12, 2020 (update 1)

Significant changes are highlighted in **yellow**.

TRAVEL POLICY:

All personnel, with the exception of international travelers and returning deployers, arriving at KAFB - regardless of mode (commercial/personal) or purpose of travel (business/personal) - **no longer require** the 14-day Restriction of Movement (ROM) period if the departure location is identified as a non-restrictive travel area.

Visitors meeting these requirements may be sponsored on base (via pass at the VCC).

Additionally, visitors are advised to be aware of state and local COVID-19 policies.

Note: ROM protocols will apply if the person stays overnight or has prolonged exposure in a restrictive travel area. Air travelers with layovers at any location are acceptable as long as the member remains in the airport terminal.

The link below identifies states that are cleared as non-restrictive.
