

Kirtland Major Missions and Programs

Nuclear Enterprise

Kirtland's 377th Air Base Wing, along with the Air Force Nuclear Weapons Center, Sandia National Labs, Department of Energy and the Defense Threat Reduction Agency, all support the Air Force's Nuclear Enterprise.

CSAR /Special Ops

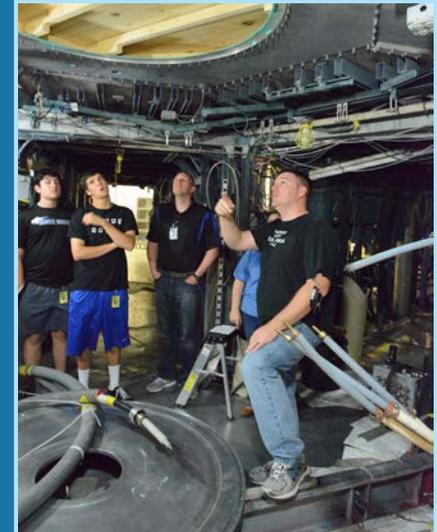

Combat Search and Rescue and Special Operations is the mission of the 58th Special Operations Wing with five different rotary-, fixed-, and tilt-rotor aircraft types. The 58th also conducts undergraduate pilot training and survival, escape, resistance, and evasion training at geographically separated locations.

Test and Evaluation

Test and evaluation takes place at the Air Force Operational Test and Evaluation Center, Air Force Safety Center, Department of the Air Force Inspection Agency, Distributed Mission Operations Center, and more.

Research & Development

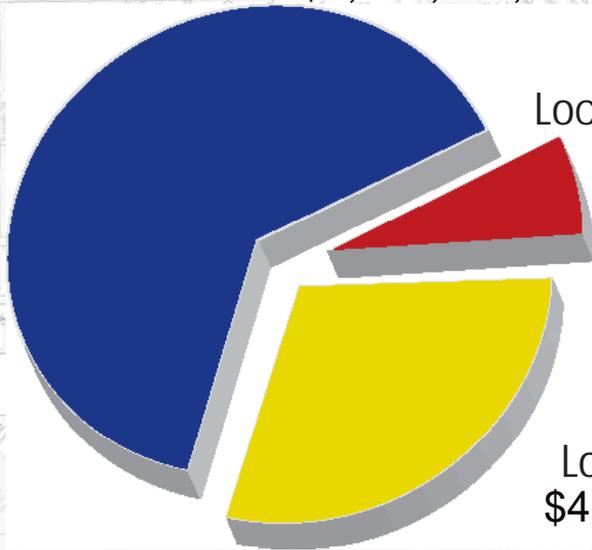

Research and development is a core mission of the Air Force Research Laboratory's Directed Energy and Space Vehicles Directorates, Sandia National Laboratories, the Department of Energy and the Air Force Nuclear Weapons Center.

Kirtland Economic Impact Statement

As the Air Force's fifth-largest installation, Team Kirtland's economic impact is significant, making up more than 10% of the local economy and accounts for 13% of local jobs.

Team Kirtland Overall Impact
\$7,421,651,781

Local Job Creation Value
\$1,414,681,407

Local Impact
\$4,632,099,978

Non-local contracts and expenditures \$2,789,552,103
Team Kirtland Overall Impact \$7,421,651,781
Annual Payroll \$2,257,473,902

Local Job Creation Value
\$1,414,681,407

Local Expenditures
\$959,944,368

GDP for ABQ Metro (2019)
\$44,826,301,000
