## KIRTLAND AIR FORCE BASE INSTALLATION COMMANDER'S DIRECTIVE

ICD#: 051      DATE: 17 June 2021      TIME: 1500L

**TASKED ORGANIZATIONS:** All 377 ABW Personnel and Kirtland Mission Partners

### **DIRECTIVE:** Expand Operational Capabilities

1. As a result of the sustained low number of COVID-19 exposures/infections and the growing number of vaccinated persons at our installation and surrounding area, I am authorizing a cautious return to normal operations effective immediately. Public Health Emergency Declaration dated 13 March 2020 is extended to 18 July 2021.
2. Kirtland AFB will remain in Health Protection Condition Alpha. Commanders and equivalents will continue to monitor/respond to all Federal and HHQ guidance.
3. All individuals are advised to continue COVID safe practices and adhere to all Federal and HHQ guidance as well as local and state restrictions.
4. Commanders must continue to assess the risk and consider telework flexibility for eligible employees. Employees who self-identify as being high-risk may request a workplace accommodation. Consult with your human resources representative for further guidance regarding high-risk employees.
5. Unvaccinated persons with close contact of a positive COVID-19 case or persons that test positive for COVID-19 will self-isolate and contact their health provider.
6. 377 ABW Crisis Action Team (CAT) COVID response management is terminated.
  - All Kirtland AFB Unit Control Centers may stand down.
7. Tasked organizations/UCCs will acknowledge receipt of this ICD by replying back to [377 ABW Crisis Action Team](#).
