

KAFB phased reopening updates: effective Monday, June 1, 2020

Significant changes are highlighted in **yellow**.

BASE ACCESS:

Access to the installation is still restricted by existing directives; temporary base restrictions include Retirees and Veterans who do not live on the installation or who do not work on the installation supporting mission essential activities. (BX Pharmacy is open to all eligible.)

Personnel entering New Mexico via **ALL commercial travel** require the 14-day self-quarantine.

Personnel entering New Mexico via **personal travel** *do not* require the self-quarantine, as long as all travel was done following self-protection guidelines (masks, hand washing, face, etc.)

Access to the installation, however, is still restricted to the existing directives. Persons not authorized under the current directives will require an exception to policy processed through your unit leadership.

Contact 377 MDG Public Health at (505) 846-3200 or after hours (505) 252-1694 to get recommendations from a medical provider.

PROTECTIVE MEASURES:

All Team Kirtland members are **required** to use a face cloth covering, indoor (not within own homes) and outdoor, when a distance of six feet cannot be maintained.

The use of cloth face coverings are **required** within the Defense Commissary Agency facility, Base Exchange Complex, the Shoppettes, all 377 Medical Facilities and the **Consolidated Support Facility**.

GATHERINGS:

Mass gatherings are **by exception only** and must have mitigating protocols in place (social distance, face coverings, sanitization, etc.), approval required by your unit leadership.

BASE ACTIVITIES:

Units may restore key personnel functions that have NOT been deemed mission essential as long as end of day sanitizing protocols are employed.

On-base food services may resume with limited dine-in options not to exceed 50% capacity. Dine-in patrons (when not seated) must wear face coverings in all food service public areas.

Units are authorized to return an additional 25% of their telework workforce to KAFB effective immediately.

FORCE SUPPORT SQUADRON:

Access to the installation is still restricted by existing directives; temporary base restrictions include Retirees and Veterans who do not live on the installation or who do not work on the installation supporting mission essential activities. (BX Pharmacy is open to all eligible.)
