Air Force to host public information meeting April 22

KIRTLAND AIR FORCE BASE, N.M. –The Air Force will host a virtual public meeting on April 22, from 6p.m. to 7:30 p.m., to provide an update on the Kirtland Air Force Base Bulk Fuels Facility cleanup activities.

In light of coronavirus concerns, this open house will be held virtually using a platform provided by the Air Force Institute of Technology (AFIT). Attendees will need to download the free Adobe Connect software to join the virtual meeting. It is suggested this be done in advance of the meeting.

Community members interested in joining the virtual open house can join using the following internet connection: <https://ceschool.adobeconnect.com/afcec/>. The software can be downloaded at <https://helpx.adobe.com/adobe-connect/connect-downloads-updates.html>.

The presentation will include a project status update and a question and answer period. Questions may be submitted in advance. Please e-mail your questions to brannon.lamar@us.af.mil.

For more information, please contact Brannon Lamar, 377 Air Base Wing/Public Affairs (PA) at (505) 639-8420 or by email at brannon.lamar@us.af.mil.
